## **Changing the message on your electronic advertising sign.**

The office will advise which type of sign you have been allocated, and the username and password for D or B Types or O Type.

### **O Type:**

- Click <http://web-vms.com:8080/webvms/login.jsp> Save in favourites for easy access)
- Username: ..... Password: ..... and verification code
- Double click on the sign you want to program on the left hand side of the screen
- Go to the 'Text Overlay' box (grey box) and type your desired message
- You can add more frames by clicking the single right facing arrow above your message preview
- When finished go to 'File'
- Click 'Save' then 'Upload'
